STATE CONFERENCE OF INDIAN SOCIETY OF RADIOGRAPHERS AND TECHNOLOGISTS

23rd and 24th May 2026

The Quilon Beach Hotel & Convention Centre, Kollam

Indian Society of
Radiographers &
Technologists

AFFILIATED TO
ISRRT
INTERNATIONAL
SOCIETY OF
RADIOGRAPHERS
& RADIOLOGICAL
TECHNOLOGISTS

INVITATION

Dear Colleague,

It is with immense pride and joy that we invite you to the SCISRT KERALA STATE CONFERENCE 2026, organized by the Indian Society of Radiographers & Technologists (ISRT), Kerala Chapter.

This year, we are taking our annual gathering to the historic and scenic port city of Kollam. Set against the breathtaking backdrop of the Arabian Sea at The Quilon Beach Hotel & Convention Centre on 23rd & 24th May 2026, this conference promises to be more than just an academic event — it will be an experience to remember.

We have curated a powerful scientific program designed to elevate your professional skills. From cutting-edge diagnostic imaging techniques to the latest in interventional radiology, our sessions will feature renowned experts and thought leaders. Expect dynamic presentations, hands-on workshops, and interactive discussions that address the real-world challenges we face today.

In conjunction with the conference, we are hosting an extensive Trade Exhibition. This is your chance to get hands-on with the newest technology, explore modern innovations, and witness the evolution of our field with a unique display of historical radiological equipment.

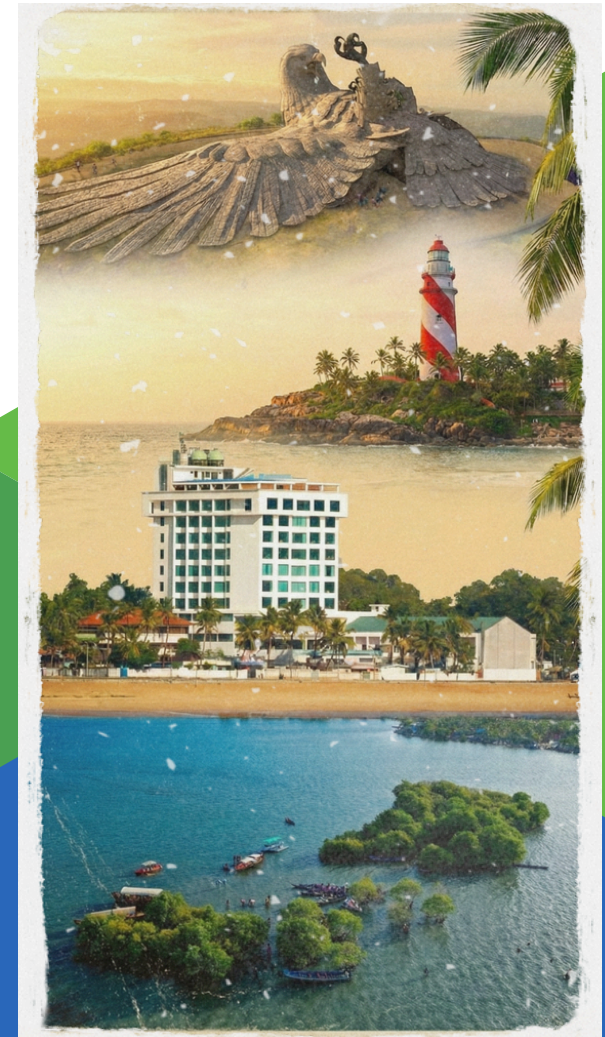

Join hundreds of fellow professionals, students, and industry leaders for a weekend of networking and camaraderie. Whether you are looking to upgrade your knowledge, connect with mentors, or simply recharge in a beautiful setting, SCISRT KERALA 2026 is the place to be.

We eagerly await your presence to celebrate our collective expertise and drive the future of radiography forward.

See you in Kollam!

Mr. Vergin G.S.
Organizing Chairman

Mrs. Ampily R. Vijayan
Organizing Secretary

POSTER & PAPER PRESENTATION COMPETITION

ENTRIES WILL BE ACCEPTED FOR TWO CATEGORIES STUDENT/ RADIOGRAPHER

The Scientific Committee is inviting authors to submit their

- **scientific abstracts** or
- **research findings** or
- **descriptive techniques** or
- **educational exhibits,**

covering a wide spectrum of engaging topics.

We welcome contributions in the areas of interest which includes

- **Advanced Imaging Techniques**
- **Artificial Intelligence**
- **Body Imaging**
- **Breast Imaging**
- **Cardiac Imaging**
- **Chest Imaging**
- **Interventional Radiology**
- **Medical Physics Molecular Imaging/ Nuclear Medicine**
- **Musculoskeletal Neuroradiology/ Head & Neck Imaging**
- **Paediatric Radiology**
- **Radiotherapy**

The abstract structure should include key components, including **Introduction/Background/ Objectives, Methods, Results, and Conclusions.**

**Abstract Submission last date:
10 April 2026**

The Scientific Session

At SCISRT KERALA 2026, we have gathered a stellar lineup of distinguished faculty and subject matter experts to lead our scientific deliberations. We are honored to host the industry's most respected voices, who will share their invaluable insights, ground-breaking research, and deep clinical experiences.

These experts are here not just to teach, but to inspire –guiding us through the latest advancements in diagnostic and interventional radiology for the betterment of our entire community.

TOPICS COVERED

- **Conventional Radiography and special procedures**
- **Computed Radiography**
- **Digital Radiography and PACS**
- **Computed Tomography**
- **Magnetic Resonance Imaging**
- **Mammography and Breast Imaging**
- **Nuclear Medicine and Fusion Imaging**
- **Interventional Radiology**
- **Artificial Intelligence in Radiology**
- **Radiation Therapy and Radiobiology**
- **Radiation safety and regulatory requirements**
- **Quality assurance in Radiology**
